

Bitcointalk Signature Campaign

Currently our bounty campaign is open. Participants will be manually assigned PST tokens every 7 days before and during the ICO.

Below you can find rates depending on your bitcointalk rank:

<u>Legendary Member</u>	110 PST / day
Hero Member	85 PST / day
Senior Member	65 PST / day
Full Member:	45 PST / day
Member:	35 PST / day
Jr. Member:	25 PST / day

*Rank will be fixed at the time you apply.

Terms and conditions:

- Changing signature during campaign is not allowed.
- Posts must be constructive, any language is allowed. You need a minimum of 7 posts a week.
- Only respectful users will be rewarded. No trash-talking, whether it's in Planes Cloud thread or not.
- Tokens issued for the bounty campaign can be revoked. Any infraction to the aforementioned rules above will result in a revocation of your bounty tokens

To participate in the signature campaign, follow the link in the above list corresponding to your bitcointalk rank and use the pastebin code as your signature. Then send us an e-mail at support@planescloud.com with the following : "I have read and agreed on the Planes Cloud signature campaign terms and condition. My Ethereum address for receiving my PST tokens is : -Insert ETH address here-" Make sure your signature is up to date before posting in the thread. Your participation will be registered soon after, and you will be able to check your status and your next payout on our public Google Docs signature campaign spreadsheet.

Blogging, articles and social media

In case you are a writer, own crypto-currency news blog or site owner, or even a part of a crypto-currency community on any social media you will be rewarded for spreading the world about Planes Cloud. To evaluate your bounty please contact us by email at support@planescloud.com, providing all the necessary details.
